

CHANGES INTO THE TIMERS

PTMA / PTMB / DTMA / DTMB
PTMG / DTMG
PTNA / PTNB / DTNA / DTNB
PTEA / PTEB / DTEA / DTEB
PTTA / DTTA
PTWA / PTWB / DTWA / DTWB
PTSA / DTSA

Since 1st October 2015 the above mentioned relays have been redesigned due to the lack of certain electronic components which will not be manufactured anymore and because there is not an alternative supplying source.

Until the end of inventory we have in stock units in both formats. See the table below to decide the model you prefer.

The “old” model is granted with a 5% discount bonus. Consult our web site or contact with us to get the price of the selected model. These prices are valid until 31st December 2016.
